Land with 71ha with irrigation and two urban articles

Land with 71 hectares, near Ladoeiro, Castelo Branco. In the surroundings you will find the Marechal Carmona dam.

Morphologically flat, it has at its disposal several support structures for agriculture and good access. It should be noted that this property has two urban items, where construction for housing is possible. At its disposal it has several water sources, namely wells and a water channel for irrigated cultivation.
