300 ha of land with private dam, olive grove and cork oak forest

Are you looking for agricultural land with a lot of water capacity? On this property he has 300 ha of land available for his agricultural projects. It currently has about 100 ha of traditional olive groves and cork oak forests. It has a dam that occupies about 10 ha of the property. With agricultural structures and a dwelling house, it makes this property an opportunity to create your own business here. This property has already been presented at a tourism fair with the potential to build golf courses due to its irregular shape and water capacity.

Come and visit, schedule your visit now.
